

5 June 2026

Dear parent/carer,

SCHOOL UPDATE: FRIDAY 5 JUNE 2026

We have kicked off the second half of the Summer Term with a flourish! After a very productive INSET Day for staff on Monday the hot weather seemed to desert us and we had some dramatic downpours and thunderstorms as the children returned to school! The good news is that the cooler weather makes life more manageable in the classrooms. Please check the weather daily in case a coat is needed.

This week the Year 4 pupils took their statutory Multiplication and Times tables Check, which was all completed online in our ICT suite. The children were all focused and engaged and we look forward to receiving the results later this month. Next week it is the turn of Year 1 and some children in Year 2 to complete their Phonics Screening Check. Meanwhile in Year 6 the pupils are all working hard on their writing so that teacher assessments can be submitted at the end of June. I have seen some fantastic writing already, especially their use of advanced punctuation like semi-colons. I have also been impressed to see Year 6 looking fantastic in their red Leavers' hoodies!

This week I had the pleasure of handing out many '100% attendance' certificates to pupils who had not missed a day of school since Easter. That is an impressive achievement and will certainly set them up for success in the future. Sadly, whole school attendance has dropped this week. Our hope is that everyone in our school community can set a goal for improved attendance next week and finish the school year with a flourish! Our goal of 92% is in sight (we are at 91.5% at the moment)! So please may I urge everyone to do their very best to ensure maximum attendance! Thank you for your support!

I wish you all a lovely weekend.

Best wishes,

Mr. Walters, Headteacher

Attendance matters!	
Our attendance this week was: 87.4%	
Our attendance since September 2025 is: 91.5%	
Our attendance goal is: 92%	
Highest attending class this week in Years 3-6: Hummingbirds
